

Father-Daughter Waltz Dinner

The Senior Presentation Class of 2012 Father-Daughter Waltz Dinner, San Diego Chapter, was held in Fairbanks Ranch on Jan. 8.

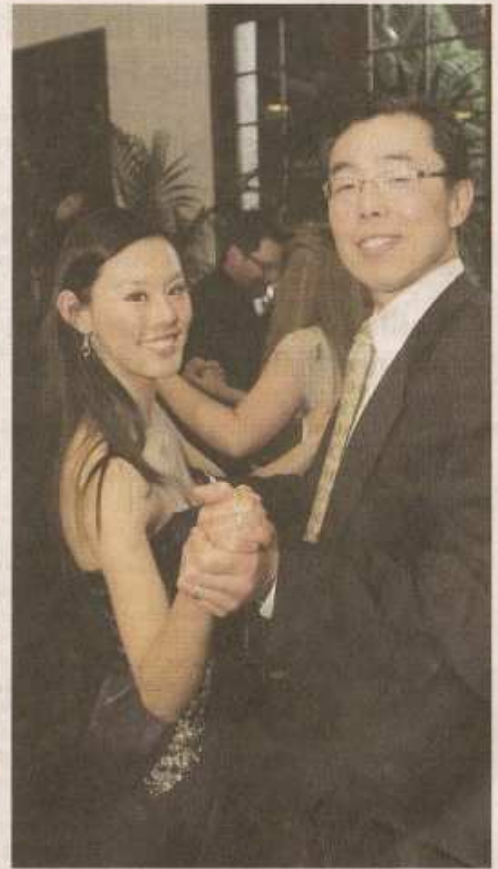

This event is the culmination of six years of philanthropy service in National Charity League, a mother-daughter philanthropic organization, in which the young ladies from the 7th through 12th grades focus on philanthropy work throughout San Diego County, cultural awareness, self development, and fostering the mother-daughter bond.

Now as seniors, this Class of 2012 enjoyed a formal evening of dinner and dancing with their fathers, in preparation for their Senior Presentation to be held in March.
